## CALLING ALL HORSE LOVERS!

This program is sure to create lasting memories. Golden Ridge Stables, conveniently located in Lakeville will be offering a 5-hour day camp designed to give riders a fun-filled day of experience with reliable school horses. Children discover how to safely work with their horse on the ground, as well as on its back in a "hands and seat on" environment. In addition, campers play games and make a treasured keepsake. Because participation is limited to only eight riders, each child gets individualized attention, a structured riding lesson and learn fun and interesting things about their horse. For safety reasons, participants must be physically and cognitively able to ride a horse on their own. **Participants are required to wear jeans and boots; riders will not be allowed to ride in tennis shoes. # Learn to Skate Youth & Adult Skating Lessons, Camp

AMES ARENA, 19900 IPAVA AVE., LAKEVILLE  
[lakevillearenas.org](http://lakevillearenas.org), 952-985-2170

Lakeville Arenas is excited to offer Learn to Skate USA. The mission of Learn to Skate USA (LTS-USA) is to provide a fun and positive experience that will instill a lifelong love of skating.

LTS-USA offers an abundance of enhancements tailored toward improving the experience for parents and skaters. LTS-USA is the only ice skating program endorsed by U.S. Figure Skating, USA Hockey, US Speedskating and the Special Olympics. Learn to Skate USA offers every participant a rewarding experience rooted in the lifelong benefits of ice skating. Skaters will be evaluated throughout the session to determine if they are ready to advance. Our program has a 12:1 student/instructor ratio to ensure quality instruction, except for the Snowplow Sam and P.A.L.S. classes which have an 8:1 ratio. Questions regarding lessons can be e-mailed to the director at [lakevillelearntoskate@gmail.com](mailto:lakevillelearntoskate@gmail.com).

**REQUIREMENTS:** We recommend that children in the Snowplow Sam and P.A.L.S. classes wear a helmet (bike helmets work well), gloves and snow pants. All participants are required to wear gloves or mittens. Participants must provide their own skates or rental skates are available for \$3 per person/per class. No double blades. Lakeville Arenas offers skate sharpening for \$4 per pair of skates. Rental skates are best for first time skaters, hockey skates are not recommended.

**SNOWPLOW SAM:** (3-5 years old) Designed to develop preliminary coordination and strength necessary to move on skates.

**HOCKEY 1-2:** (6 years and older) Fundamentals of hockey skating, skaters will learn to move faster and be more agile on the ice. All elements will be taught without a stick or puck. Work on forward skating, backward skating and stopping.

**HOCKEY 3-4 & Power:** (6 years and older) Fundamentals of hockey skating. All elements will be taught without a stick or puck. Designed for those skaters that have passed Hockey 2. Work on turns, crossovers and stopping.

**THE BASIC SIX:** These six levels of the program introduce the fundamental skating moves, forward skating, backward skating, stops, crossovers and turns. Upon completion of the Basic 1-6 levels, skaters will have the basic knowledge of the sport to advance to the Free Skate levels.

**BASIC 1:** Designed for skaters 6 and older with little or no skating experience. Will work on forward/backward skating and stopping.

**BASIC 2-3:** Designed for those skaters that have passed Basic 1 or Snowplow Sam. Will work on backward skating, turning and introduction to spins.

**BASIC 4, 5, 6:** Designed for those skaters that have passed Basic 3. Will work on edges, crossovers and stroking.

**PRE-FREE SKATE & FREE SKATE 1-6:** Designed for those figure skaters that have passed Basic 6. Free Skate will be divided into four sections – moves in the field, dance sequence, spins and jumps.

## PiYo

Who says you have to jump, grunt, strain and punish your body to get amazing results from your workout? Not with PiYo...PiYo combines the muscle-sculpting, core-firming benefits of Pilates with the strength

and flexibility advantages of yoga. And, we crank up the speed to deliver a true fat-burning, low-impact workout that leaves your body looking long, lean and incredibly defined. PiYo isn't like standard Pilates and yoga classes that make you hold long, intense poses, or lead you through dozens of repetitive, microscopic core movements. PiYo speeds everything up—including your results—by introducing you to dynamic, flowing sequences that can burn serious calories at the same time as they lengthen and tone your muscles and increase your flexibility.
